

Introducing the 2016 Doggett's Coat and Badge Race competitors

	Station	Name	Age	Colour	Club	Lives	Background
	1	Benjamin Folkard	24	Light Blue	Fulham Reach Rowing Club	London	Ben's 3rd Doggett's outing honours his grandfather's wishes that he take part in the race. No stranger to the Tideway he trains from Putney to Teddington to the sounds of the Black Eyed Peas.
	2	Jacob Bery	23	Red	The Kings School Canterbury Rowing Club	Whitstable	Jake is confident his first Doggett's race will end in success. Despite training mostly on a lake the infamous Tideway currents don't faze him! Jake considers race participation the correct way to end his apprenticeship.
	3	Alfie Anderson	22	Dark Blue	Poplar Blackwall and District Rowing Club	London	No newcomer to rowing Alfie's been sculling since the age of 14 and hasn't struggled with the early morning starts. To get race shape he's eating 7 meals a day and training around 14 hours a week!
	4	George McCarthy	21	Green	Royal Docks	Welling	George follows in winning footsteps with two uncles and a cousin counting as former winners of the race. He's enjoyed the early morning training & will listen to house music to get into race mode.
	5	Perry Flynn	23	Orange	London Rowing Club	London	Perry's training for this year's race has seen him out for early starts and evening outings along the Thames between Putney and Kew. A returnee from last year his most memorable race was last year's Doggett's!
